

Miss Hattie's Hats Challenge

The Hattiesburg Convention and Visitors Bureau's logo is a large hat. For our show, the HCVB has proposed a challenge called "Miss Hattie's Hats."

The quilts will be judged in a separate category at the show. The HCVB will give a Purchase Award of \$250 for the winning quilt and will host a display of some of the Challenge Quilts after the show.

Here are the Guidelines:

Make a finished quilt 24" x 24" square. The quilt must have a 4" sleeve. Use any pattern or design. Find ideas in pattern books, on the Internet (copyright free), or design your own. Use any materials. Embellish if you want to. Your quilt can be two-dimensional or three-dimensional, but it must fit the definition of a quilt (three layers with quilting stitches). Just have fun and use your imagination.
